Hi all,

Ref's office jus shared the attached document with us, which I have done a preliminary review of. We are identifying next steps in terms of LAAC involvement and charter leader feedback, but we need to be careful since this has not been shared with other board members besides Dr. Vladovic at this point. It would be for introduction on April 3, but a draft is due to the District next Wednesday.

Please do not forward or otherwise share with anyone outside this email.

Marcia and Parker are joining a meeting with have scheduled with Ref and Aixle to discuss the resolution at 2:15pm.

Please share thoughts or feedback before then if you have time. There will be more time afterwards before the final is due Wednesday, but I wanted to give you time to review now.

Cassy
